*Thanks to the generosity of donors and volunteers,* Garden Joy serves hundreds of children and families annually with education and volunteer opportunities and donated over 2,000 pounds of organically grown produce to the community in 2020. We are always striving to expand our impact on the community, so in 2018 we founded Ripon Farmers Market. The mission of Ripon Farmers Market is to offer local farms and businesses a connection to the community, while providing opportunities for education and promoting a healthy lifestyle through a thoughtfully curated market. We offer free craft and activity nights for families, product giveaways, outreach to local schools through coupons, chef demonstrations using fresh market produce and ingredients, and a place for local musicians to play. All of these programs are free to the public. We rely on the generosity of donors who value our mission to carry on these programs. If you would like to consider sponsoring a market or a season, we would be grateful to partner with you. Please call our market manager, Heather Crooker at (209) 505-4743 or email [riponfarmersmarket@gmail.com](mailto:riponfarmersmarket@gmail.com).

We gratefully accept donations of any amount.  
 ALL CONTRIBUTIONS ARE TAX DEDUCTIBLE  
 Please make your check payable to **Garden Joy, P.O. Box 971, Ripon CA 95366**
